

The road to the 8WCCA: Webinars about Conservation Agriculture organized by FAO and ECAAF

The European Conservation Agriculture Federation (ECAAF), in collaboration with the 8WCCA Organizing Committee and under the patronage of the Food and Agriculture Organization of the United Nations (FAO), is organizing a series of events on Conservation Agriculture this year.

Events include 5 infographics and 5 videos on Conservation Agriculture which highlight the 8WCCA theme and sub-themes. All of them will be disseminated on social networks and on the 8WCCA website.

In addition, there will be 5 online webinars that you can attend. The webinar schedule is as follows:

- **8 October 2020:** Profitable and Sustainable Farming with Conservation Agriculture: The future of farming – Prof. Gottlieb Basch, president of the European Conservation Agriculture Federation (ECAAF), University of Evora, Portugal
- **22 October 2020:** Successful experiences and learnings from CA worldwide - Prof. Amir Kassam, University of Reading, UK
- **5 November 2020:** Farm and ecosystem level benefits of CA systems to farmers, society and environment - Dr. Don Reicosky, retired Soil Scientist from the USDA-ARS, University of Minnesota, USA
- **19 November 2020:** Mainstreaming of CA with national policy and institutional support and for global governance to support national and international needs and commitments – Mr. Tom Goddard, retired Senior Policy Advisor, Alberta, Canada
- **3 December 2020:** Promoting CA-based knowledge and innovation systems and information sharing and communication – Dr. Rachid Mrabet, Research Director of INRA, Morocco
